

MUNSIF SOKIYNA, PhD

Assistant Professor, Information Systems and Operations Management

University of Central Oklahoma

Email: Munsif.Sokiyna@gmail.com | Cell: (205) 535-9945 | [LinkedIn](#) | [Google Scholar](#) | Website: <https://munsifsokiyna.github.io/>

Research Interests

- Human–AI Interaction (Trust and reliance, Human-AI teaming, AI-generated feedback)
- Open-Source software (OSS)
- Developer Motivation and Participation Dynamics
- Online Toxicity

Education

Ph.D.,	Management information Systems	The University of Alabama	Summer 2026
Ph.D.,	Management Information Systems/Business Intelligence	Cyprus International University	2021
M.S.,	Electronic Business	Jadara University in Jordan	2016
B. S.,	Management Information Systems	Jadara University in Jordan	2013

ACADEMIC POSITIONS

Assistant Professor, Information Systems and Operations Management Aug 2026 – Present
University of Central Oklahoma, Edmond, OK

Instructor of Record, Fundamentals of MIS 2024 – 2026
University of Alabama, Culverhouse College of Business, Tuscaloosa, AL

- Taught undergraduate Fundamentals of MIS (approx. 150 students per section)
- Integrated AI tools (ChatGPT, neural network simulators, embedding projectors) into course design
- Teaching evaluations: Fall 2024: 4.32/5 | Spring 2025: 4.12/5 | Spring 2026: 4.45/5 (accessibility), 4.45/5 (preparedness)
- Recipient of the 2025 Outstanding Doctoral Student Teaching Award in MIS

Teaching Assistant 2022 – 2024
University of Alabama, Culverhouse College of Business
Business Programming I (Fall 2022), Systems Analysis and Design (Fall 2022), Professional Development (Spring 2023), MIS for MBA (Spring 2023), Fundamentals of MIS (Fall 2023, Spring 2024)

Research Assistant
GRAIDE AI Business Lab At [Institute of Data Analytics](#) 2023 – 2026
Multiple Information systems research projects

PEER-REVIEWED PUBLICATIONS

Under Review & Working Papers

1. Sharma, P. N., Safadi, H., Karahanna, E., Hulland, J., & **Sokiyna, M.** (2025). *Multi-project involvement and volunteer developers' continued contribution to open-source software projects*. **Journal of Strategic Information Systems**. Conditionally Accepted.
2. Sharma, P. N., Herfurth, A., & **Sokiyna, M.** (2025). *Mitigating licensing risks in AI-generated code*, **MISQ Executive**. Major Revision.
3. **Sokiyna, M., & Sharma, P. N.** (2025). *Toxicity in open source: Contextual detection and typology using OSS-specific models and large language models*, **Target: IEEE Transactions on Software Engineering**. In preparation (Planned submission: October 2026).
4. Herfurth, A., **Sokiyna, M.**, & Sharma, P. N. (2024, May). *The impact of generative AI on open-source software developer motivations: An exploratory qualitative study*. Paper presented at the **OpenForum Academy Symposium**, Harvard University, Boston, MA. Target Human-Computer Interaction. In preparation.

Professional Experience

Acting Store Manager and 1st Assistant Manager, McDonald's, Jordan (2010-2017)

- Led IT support for POS systems, ERP, delivery platform (MC Delivery System), evaluated and maintained branch technology systems.
- Oversaw operations, team scheduling, and compliance with food safety and service guidelines
- Managed profit/loss statements, inventory, shift operations, and staff training

Co-Founder Inspire Solution Co. (Frontend Developer & IT Support Specialist (2014-2019))

- Built mobile/web applications and performed website maintenance and upgrades

- Used HTML, CSS, JavaScript, and backend tools to create dynamic client solutions
- Provided technical support to small businesses: hardware/software maintenance, network setup, and remote troubleshooting

Skills & Others

- **Languages/Tools:** Python, JavaScript, HTML, CSS, SQL, Git
- **Data Analysis:** R, Stata, SPSS, SmartPLS, AMOS
- **Certifications:** MCSA (Windows Server 2016), CCNA (R&S), Databricks GenAI Certification.
- **Platforms:** Windows Server, Trello, Jira, Google Suite

Research Grants and Awards

- **SEiR Summer Grant**, (2023): Awarded by the Culverhouse College of Business, University of Alabama. Supported research on open-source software toxicity in GitHub.
- Outstanding Doctoral Student Teaching Award in MIS - University of Alabama 2025

Additional Information

Languages: Arabic (native), English (fluent)

Citizenship: Jordan
